INTRODUCTION TO ELECTIVES

Our exciting selection of electives offers a wide range of opportunities for all students, creating unforgettable experiences that will last a lifetime. This inspiring program will ignite students' creativity, expand their interests, develop their unique skills, and provide valuable insights into possible future careers.

Electives will equip our students to become well-rounded individuals - successful lifelong learners, responsible citizens, and confident young people.

Each elective runs on Wednesdays during period 5.

Students will move electives four times per year.

There are four categories for electives:

Active

Creative

Scholarly

Community

In this booklet is the list of electives grouped by year and by category, along with a brief overview of what students can expect.

Enjoy exploring your options!

ELECTIVES

Active Electives

ACTIVE ELECTIVES

Cheerleading Elective

Jump, Dance & Shine!

Love high energy, teamwork, and showing off your moves? Join the Cheerleading Elective to learn awesome cheers, stunts, and dance routines that will get your heart pumping and your smile shining! Whether you're new to cheer or have some experience, this Elective is all about having fun, building confidence, and supporting each other.

Get ready to jump, shout, and bring the spirit!

Please note, this is ONLY open to students to took this elective in spring term.

Cricket

Whether you've played cricket for years or you're picking up a bat for the very first time, this enrichment is for you!

Everyone welcome! All abilities sessions focused on fun, skill-building, and teamwork. You'll develop skills in batting, bowling, and fielding, take part in fun drills and mini-games, and challenge yourself at your own level.

We make sure activities are accessible, inclusive, and enjoyable for everyone — whether you're discovering the sport or looking to sharpen your technique.

If you want to try something new, stay active, or push your cricket skills further, this is the perfect place to start.

Netball

Netball for Everyone!

Whether you're brand new to netball or already play regularly, this enrichment is open to all abilities. You'll build skills in passing, shooting, movement, and teamwork through fun drills and fast-paced mini-games.

Activities are supportive, inclusive, and designed to help you grow in confidence, improve fitness, and enjoy being part of a team. Come and give netball a go — everyone's welcome!

Softball and Rounders

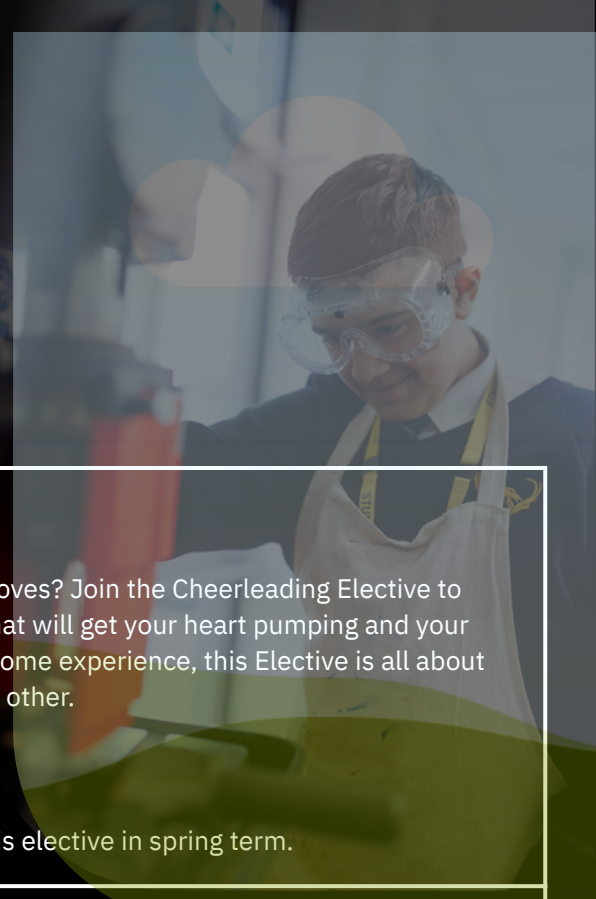

What better way to enjoy the Summer Term weather than being outside hitting a few Home Runs!

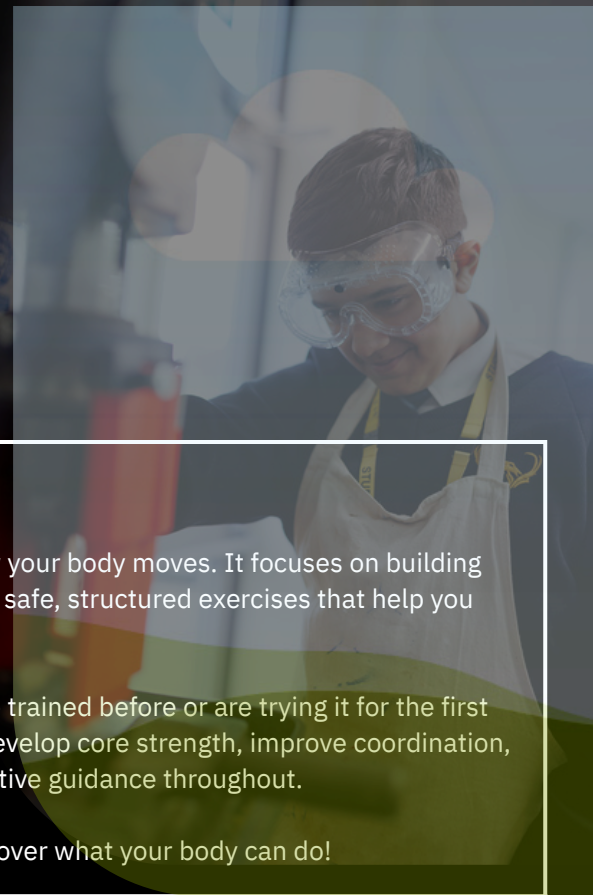

Whether you've played before or are completely new to softball, this enrichment welcomes all abilities. You'll learn key skills like batting, pitching, throwing, and catching through fun activities and game-based challenges.

Sessions are supportive and inclusive, helping you build confidence, improve coordination, and enjoy being part of a team.

THIS IS OPEN TO YEAR 8 AND 9 ONLY

ACTIVE ELECTIVES

Strength and Conditioning

Build Power, Confidence, and Fitness!

Strength and Conditioning is all about improving how your body moves. It focuses on building strength, speed, balance, and overall fitness through safe, structured exercises that help you perform better in sport and everyday life.

This enrichment is open to everyone, whether you've trained before or are trying it for the first time. You'll learn how to use your body effectively, develop core strength, improve coordination, and challenge yourself at your own level with supportive guidance throughout.

Join us to get stronger, feel more confident, and discover what your body can do!

Summer Games

Summer Games: Be Active, Have Fun, No Pressure!

Summer Games is a relaxed, non-competitive enrichment designed for students who want to enjoy being active outdoors without the pressure of winning. You'll take part in a range of fun activities such as obstacle courses, pickleball, and traditional Primary sports day events.

This enrichment is open to EVERYONE whether you love being active or simply want to try something new in a supportive, enjoyable environment. It's all about having fun, staying moving, and spending time outside with friends.

Join Summer Games and enjoy active time in the sunshine, no competition, just fun!

Summer Racket Sports

Summer Racket Sports is the perfect enrichment for anyone who wants to stay active, try new activities, and enjoy time outdoors. Whether you've played racket sports before or are a complete beginner, this session is open to all abilities.

You'll get the chance to play a mix of tennis, badminton, and pickleball, learning skills, practising rallies, and taking part in fun, low-pressure games. The focus is on enjoyment, movement, and giving each sport a go at your own pace.

Join Summer Racket Sports and enjoy active, energetic sessions in a relaxed and friendly environment!

CREATIVE ELECTIVES

Backstage Theatre

Backstage Theatre: Discover the Magic Behind the Scenes!

Backstage Theatre gives you the chance to explore everything that happens behind a production. From lighting and sound effects to set design, props, stage management, and technical effects, you'll learn how all the backstage elements come together to bring a show to life.

This enrichment is perfect for students who love the arts but prefer to stay behind the scenes. Whether you're completely new to theatre production or already have an interest in technical theatre, sessions are hands-on, creative, and open to all abilities.

Join Backstage Theatre and discover how the real magic of performance happens!

Catering Club

Catering Club: Create, Cook, and Showcase Your Skills!

Catering Club is perfect for budding chefs who want to explore the world of real-life catering. Each week, you'll create a different product, such as sausage rolls, cakes, scotch eggs, bread rolls and more, learning practical skills and techniques used in professional kitchens.

Students will have a small taste of what they make, but most items will be stored and prepared for our special Showcase Event in the penultimate week of term, when families are invited to sample your cooking.

Join Catering Club and discover the excitement of producing food for a real audience!

Please note: **This is a 90-minute enrichment due to the nature of the activities. If you travel home on the school bus, you will need to make alternative arrangements on Wednesdays.**

Cross Stich

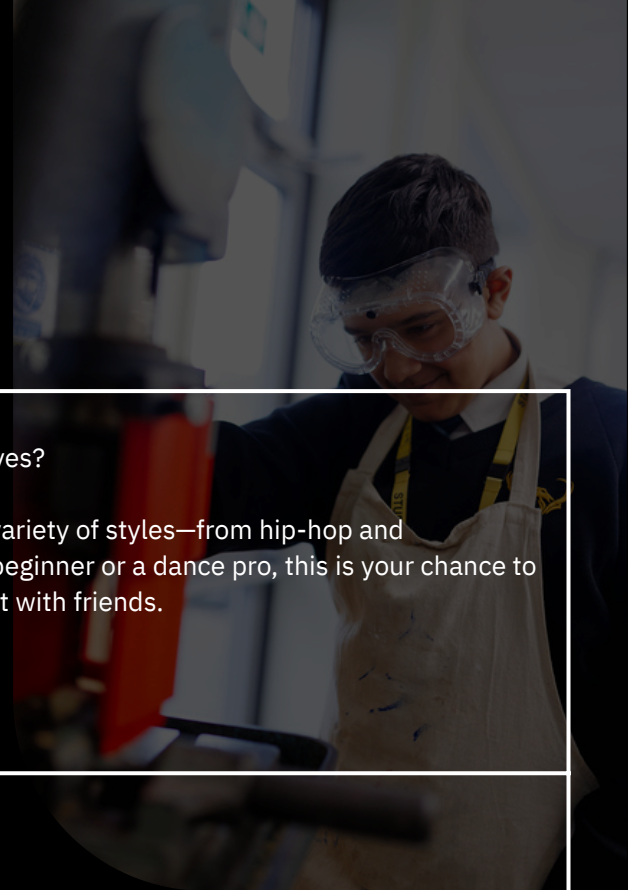

Relax, Create, and Learn a New Skill!

Cross-Stitch is a calm, creative enrichment where you'll learn the basics of this traditional needlecraft and build your skills week by week. Whether you're completely new to stitching or already enjoy crafting, this session is open to everyone.

You'll follow simple patterns to create colourful designs, practise different stitching techniques, and work at your own pace in a relaxed, supportive environment. It's a great way to unwind, focus, and make something you can be proud of.

Join Cross-Stitch and enjoy creating beautiful designs one stitch at a time!

CREATIVE ELECTIVES

Dance Academy

Love to dance or want to learn some awesome moves?

Join Dance Academy and get ready to groove to a variety of styles—from hip-hop and contemporary to jazz and more! Whether you're a beginner or a dance pro, this is your chance to express yourself, build confidence, and have a blast with friends.

Let's dance and have fun together!

Musicians

Year 9

Play Your Favourite Tunes!

Want to learn how to play the keyboard, piano or guitar? Join our Musician Elective and build your skills while choosing from a wide range of music styles - from popular film themes and pop hits to rock, musicals, rap, classical, and more.

Whether you're a beginner or want to improve, the choice is yours! Get ready to make some awesome music and have fun along the way.

Come play along and unleash your inner musician!

Sewtastic

In this elective you'll have the chance to make a range of exciting and creative textiles projects.

Through making cushion covers, bunting and more, you'll learn and develop all the skills you need to become fantastic at sewing!

SFX Makeup

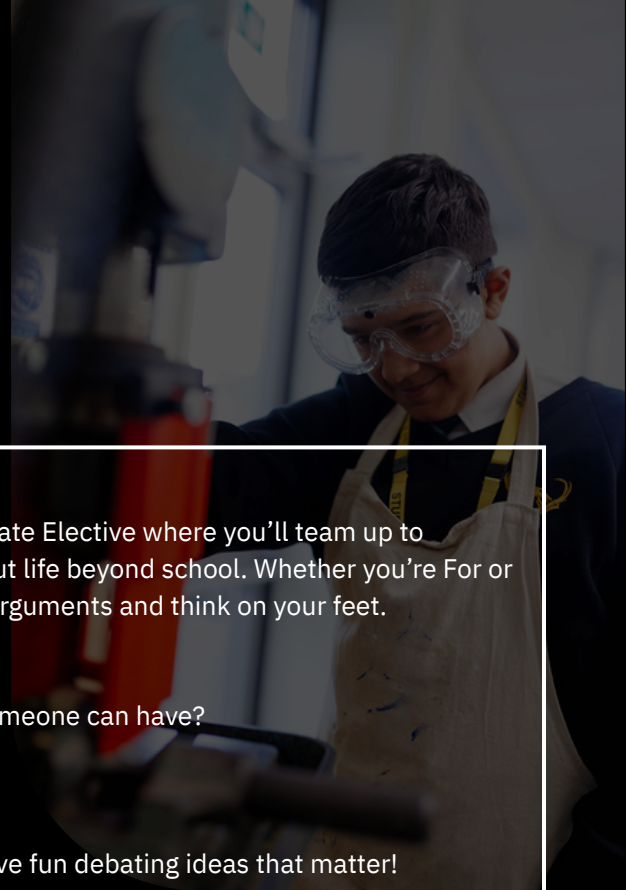

SFX Make-Up is a hands-on, creative enrichment where you'll learn the techniques used in film, TV, and theatre to create realistic special effects. Whether you're completely new to makeup or already love experimenting, this session is open to all abilities.

You'll explore skills such as creating cuts, bruises, scars, ageing effects, and character transformations using safe, professional-style materials. Each week brings a new challenge, giving you the chance to design, build, and bring your own special-effects ideas to life in a supportive environment.

Join SFX Make-Up and discover the artistry behind movie-style transformations!

SCHOLARLY ELECTIVES

The Big Debate

Speak Up & Make Your Case!

Got opinions? Love a good challenge? Join Big Debate Elective where you'll team up to research, prepare, and argue on big questions about life beyond school. Whether you're For or Against, you'll learn how to build strong, detailed arguments and think on your feet.

Topics get real and interesting, like:

- Should there be limits on how much money someone can have?
- If you could live forever, would you want to?
- Should students grade their teachers?

Sharpen your voice, boost your confidence, and have fun debating ideas that matter! Ready to speak your mind? Let's debate!

Historians Investigate!

Historians Investigate! Explore the Past Your Way

Historians Investigate! is a student-led enrichment where you choose the questions, mysteries, and moments in history you want to explore. Working individually or in groups, you'll investigate the topics that fascinate you most — from Who was Tutankhamun? to Who built Stonehenge? to Were the Princes in the Tower really killed by Richard III?

You'll learn how historians question evidence, challenge assumptions, and build arguments, all while researching the stories that interest you. Whether you love ancient civilizations, medieval mysteries, or unsolved historical debates, we'll support you every step of the way.

IDEA CLUB

iDEA Club – Build Digital Skills Your Way!

iDEA Club gives you the chance to earn digital “badges” and work towards your Bronze or Silver Inspiring Digital Enterprise Award, an internationally recognised certificate that helps you develop real digital, creative and enterprise skills. Through fun, bite-sized challenges, you can explore coding, design, online safety, entrepreneurship and more — choosing the areas that interest you most.

It's flexible, accessible and perfect for all abilities, whether you're confident with technology or just getting started.

Japanese

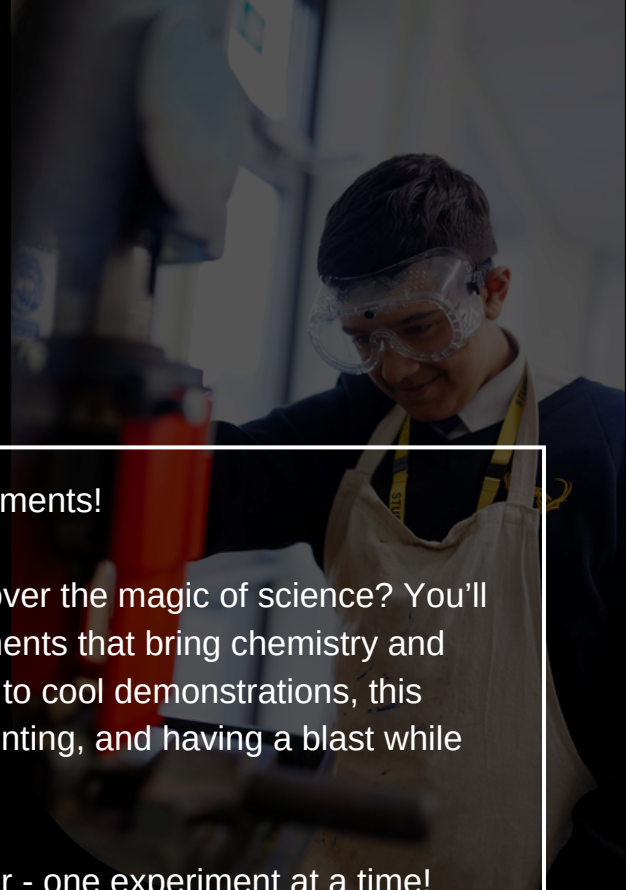

Curious about Japan? In this Elective, you'll learn the basics of the Japanese language - from greetings to fun phrases - while exploring Japan's rich culture, traditions, food, and pop culture like anime and games!

Whether you're a beginner or just love all things Japanese, come join us for hands-on activities, language practice, and cultural adventures.

Say “Konnichiwa” to something new and exciting!

SCHOLARLY ELECTIVES

Lab Legends

Year 7

Would you love some Hands-On Experiments!

Ready to get your hands dirty and discover the magic of science? You'll complete loads of fun, practical experiments that bring chemistry and science to life. From bubbling reactions to cool demonstrations, this Elective is all about exploring, experimenting, and having a blast while learning.

Join us and become a science superstar - one experiment at a time!

STEM Club

Explore, Experiment & Innovate! Calling all future engineers...

Do you love science, technology, engineering, or math? Join our STEM Elective to dive into hands-on experiments, cool tech projects, and brain-busting challenges. Whether you want to build robots, code, design gadgets, or explore the wonders of science, this Elective is your launchpad for creativity and discovery.

Get curious, get creative, and let's make something amazing together!

Coding and Gaming

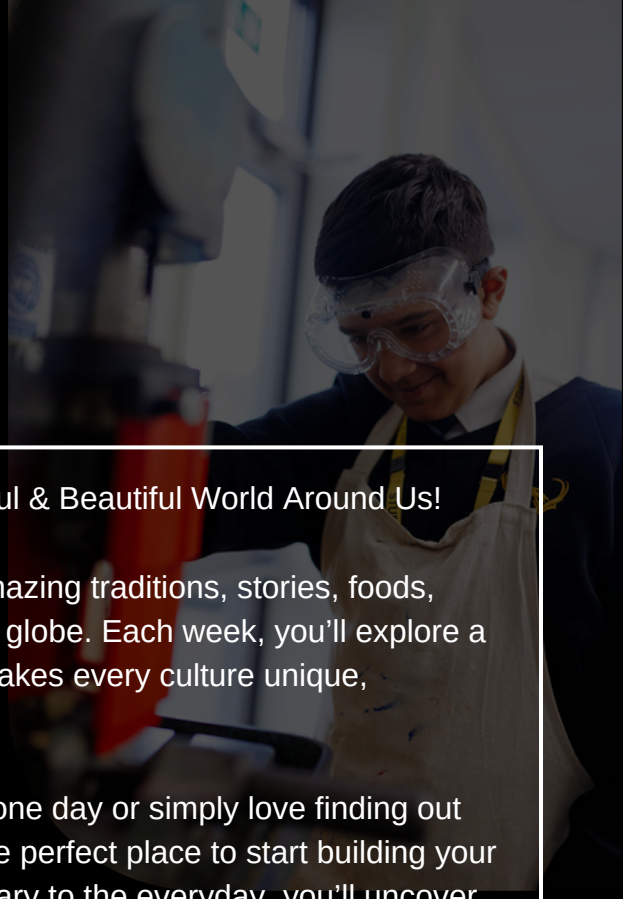

Create, Code & Play!

Love video games? Ever wondered how they're made? Join Coding & Gaming Elective to dive into the world behind the screen! Learn the basics of coding, design your own simple games, and level up your problem-solving skills.

Explore game design, coding challenges, and maybe even build your own game masterpiece!

COMMUNITY ELECTIVES

<p>Culture Club</p>	<p>Culture Club – Explore the Weird, Wonderful & Beautiful World Around Us!</p> <p>Culture Club is all about discovering the amazing traditions, stories, foods, celebrations and customs found across the globe. Each week, you'll explore a different part of the world and learn what makes every culture unique, fascinating and full of life.</p> <p>Whether you dream of travelling the world one day or simply love finding out how other people live, this enrichment is the perfect place to start building your future destinations list. From the extraordinary to the everyday, you'll uncover the weird, the wonderful and the beautiful things that make humanity so interesting.</p>
<p>DofE Taster</p> <p>Yr7 and 8</p>	<p>DofE Taster Club gives Year 7 and 8 students a chance to experience what the Duke of Edinburgh's Award is all about. You'll learn practical outdoor skills such as map reading, tent building, and cooking safely on camping stoves, as well as exploring what volunteering looks like in the real world.</p> <p>It's a fun, hands-on introduction designed to build confidence, teamwork, and a sense of adventure — perfect for anyone thinking about starting DofE in the future.</p>
<p>Mood and Media</p>	<p>Mood and Media Club – Create, Express & Empower!</p> <p>Mood and Media Club is a creative space where we explore ourselves through the lens of society. Each week, you'll use art, media and self-expression to understand how mood, identity and culture shape the world around us. This enrichment focuses strongly on female empowerment, confidence and positive self-expression, creating opportunities to support girls within our school community and beyond. Whether you enjoy art, discussion, design or creative projects, this club gives you the freedom to express yourself in a supportive and uplifting environment.</p>

COMMUNITY ELECTIVES

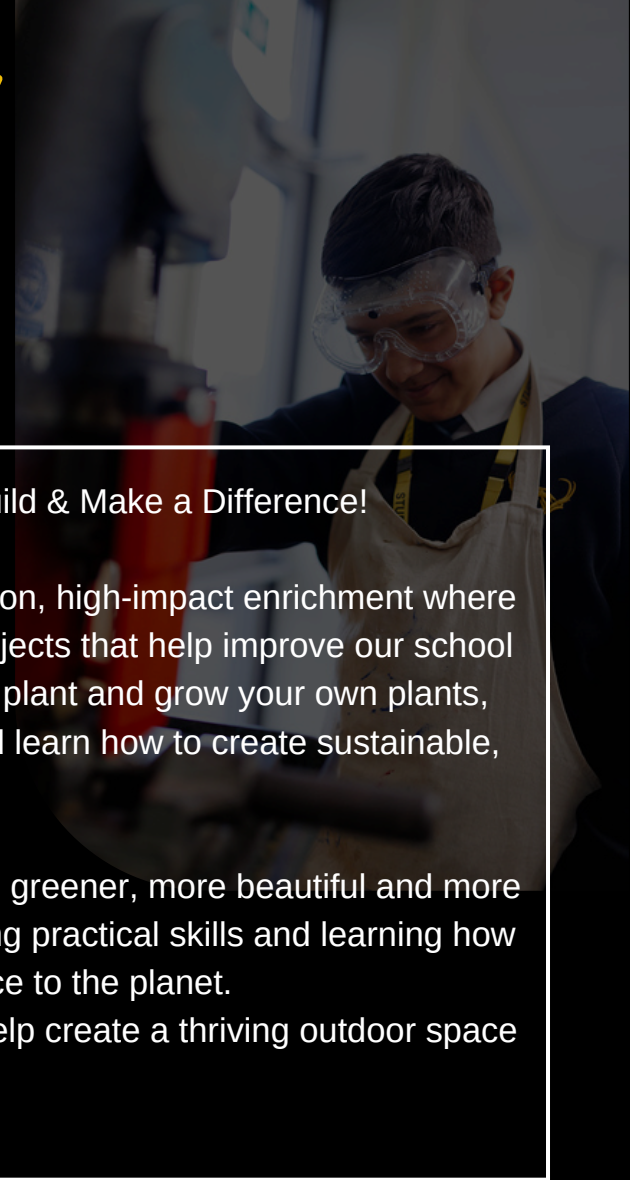

Horticulture and Ecology

Horticulture & Ecology Club – Grow, Build & Make a Difference!

Horticulture & Ecology Club is a hands-on, high-impact enrichment where you'll rotate through a range of mini-projects that help improve our school environment. You'll have the chance to plant and grow your own plants, build bird boxes and insect houses, and learn how to create sustainable, wildlife-friendly spaces.

This club is all about making our school greener, more beautiful and more enjoyable for everyone, while developing practical skills and learning how small changes can make a big difference to the planet.

Join Horticulture & Ecology Club and help create a thriving outdoor space for all students to enjoy!

SMALLER ELECTIVES

Want to be part of an elective, but feel a smaller group may suit you better?

These electives will have no more than 5 students in!

<p>Mind Matters Elective</p>	<p>Your Safe Space to connect!</p> <p>Life can get overwhelming, and that's okay! Join Mind Matters to relax, talk, and feel supported in a friendly, pressure-free space. We'll hang out with fun activities, games, and chats designed to boost your confidence, improve your wellbeing, and help you build meaningful connections.</p> <p>Take a break, share how you feel, and remember—you're never alone.</p> <p>Come as you are and leave feeling a little lighter.</p>
<p>Maths Madness Elective</p>	<p>Where Numbers Become an Adventure!</p> <p>Think maths is just about sums? Think again! Join us for puzzles, brain-teasers, games, and challenges that will have you thinking in exciting new ways. From cracking secret codes to solving mysteries, this Elective is all about having fun with numbers and unlocking your inner math detective.</p> <p>Ready to make maths your new favorite game? Let's get started!</p>
<p>Lego Legends Elective</p>	<p>Build Big, Dream Bigger!</p> <p>Build, create, and imagine like never before! From wild challenges to epic team builds, Lego Legends is all about having a blast with Lego bricks. Whether you want to design your dream city, compete in fun building battles, or dive into your own creative ideas, this Elective is your playground to bring your creations to life. Get ready to snap, stack, and build your way to legend status!</p>
